Honorable John Taber  
The House of Representatives  
Washington 25, D. C.

Dear John:

I had a very nice letter from your friend,  
[redacted] We had a good talk with him  
and tried to be of help but, as he was only interested  
in a summer job and not in permanent employment  
at this time, we were not able to find a place for  
him as for security and other reasons we do not  
take on personnel for the very short haul.

However, I enjoyed talking with him and  
thank you for bringing him to our attention.

Sincerely,

Dear Mr. Dulles,

I want to take this opportunity to thank you for having been kind enough to give me so much of your time recently. It was appreciated all the more in light of the press of your schedule, which I know must be great. I only hope that I wasn't too great

a bother.

Once again, my most  
sincere thanks.

Very sincerely yours,

MEMORANDUM FOR: Mr. Dulles

As you recall, Mr. [ ] was interested in obtaining summer employment and, since he planned to return to Yale University in September, he had no interest in permanent employment at this time. He was referred to you by Congressman Taber.

After you have noted, I will send the letter to ER for file.
